Video Storyboard

Storyboard: How to develop your project video?

Instructions: Fill the next table with the information you need to develop your video. Take in consideration all the resources and aspects needed for the recordings so you can optimize your time.

Phase	Scene	Length	Description	Information/ Graphics	Comments	
INTRODUCTION	Scene 1	3 sec	The shot opens on black background and the Continental Logo appears on the middle of the frame.	Continental Logo		
CONTEXTUALIZATION	Scene 2	5 sec	The atmosphere is all nocturnal where it seems to be a smooth esplanade with some small craters, on one side appears a spaceship and on the side comes a small person, thin with red shirt and denim pants looking directly at a big diamond.			
	Scene 3	15 sec	The small person tries to move the giant diamond, where it is impossible, he tries in various ways, he uses ropes trying to pull and the rock does not move even a little.			
	Scene 4	10 sec	From above, a light and a turbine sound start to come out, a giant black boat lands on the side of the small person, where all the time he kept his eyes surprised and expectant, the ship leaves Darth Vader walking fast and determined towards the Diamond.			
	Scene 5	5 sec	When Darth Vader approaches the diamond, he raises his pointing hand and uses his power to begin to move the rock, the small angry and surprised person is still expectant			
SOLUTION	Scene 6	5 sec	The small person desperate to want a diamond begins to think and suddenly an idea arises, a dialogue opens with the letters "HEM", enter in his ship and pulls out a box where it says "Heavy Easy Move"			
	Scene 7	10 sec	Darth Vader reappears moving diamonds and next to the pass the little person moving his diamond with a single finger and a mocking smile, Darth Vader sees him surprised he looks at his hands with contempt and begins to cry.			
CLOSURE	Scene 8	4 sec	The little person appears on his ship flying very happy and gets lost in the stars.			
	Scene 9	3 sec	The shot closes with a black background and Continental logo on the middle of the frame.	Continental Logo
